

Helen,

"op. cit." is used on a page when the title has been previously quoted on that page. For example, if you need to quote

1. The Courtier, p'16.
2. op. cit., p'19.
3. op. cit., p'20.

the second quote above on a new page, then you write:

1. The Courtier, p'19.
2. op. cit., p'20.

If on the one page you have one quote already then write:

1. The Courtier, p'16
2. op. cit., p'19.

Then on the next page the third quote would be:

1. The Courtier, p'20
